## EXPERILAB SCIENCE PARTIES

Thank you for your interest in Experilab Science Parties. The details are as follows:

- Parties will be presented in the Experilab Auditorium at the above-mentioned address. A roadmap is available.
- Parties will be presented in either Afrikaans or English for children 8 years and older.
- The cost is R60 per child, minimum 10 and maximum 20 children.
- The duration is 1.5 hours with a 15 minute break during which snacks can be served.
- You are welcome to provide the snacks and cool drinks or you can order a party snack pack from us.
- Every child performs 4 experiments of which two can be taken home.
- A competition will be held with prizes for everyone and a special gift for the birthday boy/girl.
- Party invitations are also available at no extra cost (after the deposit has been paid - see below).

The following options are available:

- Party Gift Packs with a variety of fun items from our shop. The gifts will be packed in brown paper bags.
- Party Snack Packs containing a variety of sweets, chips and cool drink - R20 each.

Above options must be ordered at least three days before the party.

A non-refundable deposit of R200 is payable at the time of booking or at least two weeks in advance. The payment can be made in cash, debit or credit card at our shop or via electronic transfer. Bank details are as follows: Experilab, First National Bank, Menlyn Square, Branch code 252 445, account no 62154559135. Please use your name and the date of the party as reference and fax the proof of payment to 012 993 4985. If a deposit is not received two weeks in advance, the booking will be cancelled.

Please confirm the amount of children at least two days before the party.

It will be appreciated if a parent/adult can assist us during the party (two persons for large groups or very young children). We also request that you do not arrive more than 10 minutes before the starting time - there will be opportunity for the kids to browse through our shop after the party.

Please do not hesitate to contact us should you have any questions or special requests.

Best regards

Experilab
